

Quality policy

Nolato Polymer manufactures products in polymer materials for industrial customers, primarily in Sweden.

We shall always meet our customers' needs and expectations by delivering services and products of the right quality while at the same time showing respect for our stakeholders' wishes and requirements.

We achieve this through the professionalism and commitment of our employees a well-designed management system certified to ISO 9001:2015 and continuous improvement work.

Our performance is evaluated through our KPIs and audits.
