

Nolato AB (publ) press release 8 September 2020

## Nolato Group management increases shareholding in the company

The members of Nolato's Group management have together acquired 114,000 shares in the company via Series 2 Incentive Programme warrants that were approved at the 2016 AGM. At the same time, they have together divested 103,000 shares in the company to finance the aforementioned acquisition and manage tax effects.

Following the above-mentioned transactions, the members of Group management (incl. families and companies) have a total holding of approximately 61,000 shares in the company and 114,000 warrants corresponding to the same number of shares upon full utilisation. The holding prior to the transactions was approximately 50,000 shares and 228,000 warrants.
